HI DUDES and welcome to freestyle now. This 'zine is a first for WESTERN AUSTRALIA 'cause it is completely devoted to freestyle.

In this 'zine we will bring you the latest rumors and gossip plus interviews and profiles on riders. We will also give you "how to" articles and all the new technological advances.

So why is freestyle so great, because you can do it when and where you want and how you want, that's why it's called freestyle, it's a free way to express your style. And always remember that freestyle is FUN, FUN, FUN...

## WHATS HAPPIN'

There is a bicycle freestyle club (BFC for short) forming up here in PERTH and the man behind it is DIDIER BIANQUART. The club will soon be having competitions, also DIDIER is the team manager for the REDLINE TRICK TEAM, who are the first team here in PERTH. They have done a few shows already and more in the makin'. So you can see that this dude is a major force in freestyle here in PERTH.

So ok all you ROCK'n'ROLLERS, HEVEY METALITS, PUNKS, NEW WAVERS, and so on here is your chance to find out which music is more popular with freestylers. Write down your fave group and send it to FREESTYLE NOW 18 Westgate Way MANARGAROO and we will have a music poll in the next issue.

Do you have any rad photos or drawings that you would like to be printed in FREESTYLE NOW, just send them with all the info to FREESTYLE NOW. If you have any questions about freestyle, be it your bike or your skateboard or you would like to write a letter to us about anything that is on your mind just do it dude and we will print it.
